

REMARKS

Applicant respectfully requests reconsideration and allowance of the subject application.

Allowable Subject Matter

On Page 6 of the current Office Action (section 10), claims 21-22 are identified as being allowed.

Further, on Page 7 of the current Office Action (section 11), claims 6 and 18 are indicated as being allowable if rewritten to overcome the rejection(s) under 35 USC 101 and to include all of the limitations of the base claim and any intervening claims.

Applicant has amended claims 6 and 18 to overcome the rejections under 35 USC 101 by specifying that the method (claim 6) and the template description structure (claim 18) are computer-implemented. Applicant submits that claims 6 and 18 now satisfy 35 USC 101.

Additionally, Applicant has amended claims 6 and 18 to include all of the limitations of the base claim and any intervening claims.

Further, Applicant has canceled all non-allowed claims (i.e., Claims 1-5, 7-17 and 19-20) above.

Applicant respectfully submits that the application is ready for issuance.

Conclusion

Claims 6, 18 and 21-22 are allowed (or allowable) in the current Office Action. The remaining claims have been deleted above. Should any matter in this case remain unresolved, the undersigned attorney respectfully requests a telephone conference with the Examiner to resolve any such outstanding matter.

Respectfully Submitted,

Date: Nov. 10, 2005
